Good evening Hrishik,

I'm writing to you as a quick follow up to the changes made in the clauses of the agreement.

I have sent you an email with the details on 12th October, though I'm afraid I did not get a response back from you. I hope that no unforeseen circumstances have arisen. Please note that the rescheduling is quite important as it requires all of us to be present during the day of signing.

It would be much obliged if I could get a follow up from you or your team that my message is well received. I would also appreciate that we fix the time of our briefing to further deliberate about the changed clauses in detail. If there are any further issues that need to be addressed, please let me know as soon as possible so that we can coordinate appropriately.

Warm regards,
Karthik Reddy
