Hey Bhargav,

I am reaching out to provide you with the latest update regarding the signing of the Memorandum of Understanding between the Vijayawada and Hyderabad Campuses.

The signing was supposed to be conducted on 11th October, but there was a change in the clauses of the agreement which was raised by the Hyderabad Campuses. The original clause stated that " Both Campuses Will Be Responsible For The Drafting of Descriptive Examination Papers For All Concerned Subjects". The representatives at Vijayawada Campus have concluded that since their campus is the progenitor with the higher faculty count, they should be responsible for all concerns regarding the papers. They propose a change within the clause, so that all papers will be generated from Vijayawada Campus and safely couriered either by secure messaging frameworks or by post. The Hyderabad Campuses have full power to challenge the papers and to point out any arbitrary framing or direct mishaps within the paper. However, this does mean that there will only be one set of papers that will be attempted by the total strength of Koneru Lakshmaiah Education Foundation's Students. Please note that this implies the rescheduling of the signing. The new dates are not known yet, but will be released soon.

Warm Regards,
Karthik Reddy
